Flexible Campus

Brighton High School offers a wide variety of off-campus educational opportunities. Included among these is the Automotive Department's Cooperative Program which enables students to work for a salary at a job in the automotive field. The Distributive Education Clubs of America (DECA) Program prepares students for careers in marketing and distribution through a coordinated program of classwork and on-the-job training. A large number of volunteer opportunities are available to students who donate their time and talents to local hospitals and schools. Many students at Brighton elect to spend part of their school day at the Occupational Resource Center (ORC). In this program students are offered a wide variety of vocationally orientated programs.

Football

The Bengals had what seemed to be a season of many dark clouds. Being plagued by injuries and other unfortunate problems the team was left to tackle the season with a shattered squad. Even with the many problems, the Bengals kept their spirits high. Battling against the odds, the Bengals earned a 3-5-1 record.

Outstanding seniors on the Bengal squad were; Mark Riordan (All-City), Paul Noonan (Honorable Mention), Paul Murphy, Tommy Wertz, Joe Cicconi, Joe Rolls, John Cox, John Santos, John Ramos, and Eddie Taylor.

Third Row: Austin Johnson, Don Walker, Paul Babbin, Lynn McCassie, Lanze Thompson, Larry Mancini, David Carney, Coach Neri.

Cheerleading

The cheerleaders, this year as in many years in the past, have cheered our boys on to victory in both good weather and bad. Unfortunately some aspects of cheerleading are not as glamorous as they seem. These aspects include long hours of practice, as well as cheering in bad weather (even rain and snow). But through all of the unpleasantries the girls came through smiling.

Volleyball

The Brighton High Girls Volleyball Team competed in a league both supremely talented and exceptionally well coached. It was a tremendous challenge to compete with other teams in the city who played such a high calabre of volleyball.

The girls exhibited their skill and maturity by coming in fourth after facing such stiff competition. After coaching volleyball for two years at B.H.S. Coach Kelly commented: "The teams just keep getting better every year around here."

Soccer

After a slow beginning, the Brighton High soccor team finished its with a respectable record of 4-6-4.

Although the team had a new and somewhat inexperienced Head Coach, they quickly adjusted to this situation. The final record was not a true indication of the season, for many of the contests were in doubt until the final seconds.

Led by Division I All-Star, Fausto Roches (10 goals, 8 assists). The Bengals upset the City Championships (English) twice. Strong contributions by Edgar Velasquez, Mike DelMonaco, and Ousman Sillah made Brighton a formidable opponent throughout the season.

The Brighton team will be much stronger in the next year, although the loss of Fausto Roches, George Pareades and Gonzoluo Viteri will cause problems. However with ten players returning next year, Brighton Benals Soccor will continue to grow and prosper.

Basketball

Hurt by graduation but buoyed by talented underclassmen the 1977-78 edition of the Brighton basketball team hung on to conclude a surprisingly competative season, finishing fourth in the tough nine team Boston City League.

Many felt the Bengals would have to regroup this year with only Captian Chris Jennings and Mike Tanner having experienced play on the tournament team of the previous year. However, the pleasant surprises included frosh sensation Gary Fowler, jumpingjack Butch Dowdell and agressive power forward Tom Wertz.

With juniors Jeff West, C.J. Williams and defensive specialist Bob Platt supplying reserve strength, the Bengals were in every game and at one point in the season, had lost four games by a total of eleven points. Sophomore Perry Bromwell had earned himself the sixth man slot by season' end and showed fine promise for the future. Captain Jennings led the team in scoring and was a unanimous All-City selection while attracting many college scouts with his deft ball handling abilities.

Robert "Baseline" Jones proved to be a popular late game crowd pleaser with some uncanny offensive moves.

The Bengal schedule was also considered to be the toughest in the state because of non-league encounters with Cathedral and Cambridge Rindge and Latin, along with league rivals English, Hyde Park, Dorchester and Boston Latin.

Hockey

The 1977/78 Hockey season was a most pleasant experience. The group that made the team worked hard and accomplished a great deal.

Three seniors were the backbone of the team- Al Manditch, John Cox, and Bobby DeMore. No one could have worked harder than these three.

The prevailing attitude reflected team work, and although the record was not of a high calibre, the team members were

Our greatest accomplishment was to stay out of the "cellar". With the type of competition that we played against South Boston, Latin, Charlestown, English, Technical, the First Division in Boston hockey- we were fortunate to finish the season mentally sound.

The team played will in all games and with the nucleus of the team coming back, next season should even more rewarding.

Track

This year the Brighton High Track Team has been most successful with a 4-1 record. Having had a strong squad to work with, the team hopes to finish in the top three. Coach Neri felt optimistic about the players and was confident that the team had a chance to win the championship. The seniors on the squad include David Barbee, Mark Wade, Victor Marsh, and Ed Taylor. Next year's team will include Sylvester Blue, Lance Thompson, Donny Walker, and Ralph Johnson.

Swimming

The Bengalette Swim Team, co-captained by Karen Tapley and Christine Payser, began their season with five returning swimmers. Hard work and strenuous practices where the swimmers worked on their strokes and breathing adjustments for competition proved to be the key ingredients in the overall team improvement. Having had thrilling victories against South Boston and East Boston, the Bengalette swimmers earned a record of three loses and seven wins. They also came in sixth in the City Meet.

Look to this day
for it is life
the very life of life
In its brief course lie all
the realities and truths of existence
the joy of growth
the splendor of action
the glory of power
For yesterday is but a memory
And tomorrow is only a vision
But today well lived
makes every yesterday a memory of
happiness
and every tomorrow a vision of hope
Look well, therefore, to this day!
